

WOMEN'S RANCH RODEO TEAM MEMBERSHIP FORM

RANCH RODEO TEAM INFORMATION

To have a team in the WRRRA you are not required to work or live on a ranch, be raised on a ranch or own a ranch, in turn that means that your RANCH RODEO TEAM NAME does not have to be a "Real Ranch". The association is here to educate and promote the Ranching industry. Keep this in mind when picking out a team name and your conduct in and outside the arena you are a representative of the Association. Please make sure that all your teammates have read the Membership/General and Event Rules. Knowing the rules before the rodeo helps the rodeo run smoother. Although a rules meeting will take place 30 minutes before each rodeo it would be beneficial for everyone to be familiar with the rules. If we have not provided you with enough room in any space below either add a page or write on the back. Thank You
